

Ambiente Sound Pack V1.1

by Wellano920

The samples come from a sound pack for ArmA and i created this for years. The new samples for LS was smaller and cut for endless loops. The names of the samples comes out of my map and not a norm, use and placement is free by your`s.

Content :

38 x Soundsamples for company`s and plant`s

15 x Location Backgrounds

8 x Day Surrounding Samples

1 x Night Surrounding Sample

2 x Files, Wav or Ogg

ASP_Standard : Import all samples form the pack on your map.

ASP_Timescript : Import all samples on your map but the "Dailytimescrpit" is by any sample available. Not any company works 24 hours per day. The start und endtime of the sample you can set on "User Attributes".

- For the surrounding samples (Nature1 -7, OFG Holloman & Night) used better the SampleModMap.xml.

Version History :

ASP V1.0 - 22 Samples

ASP V1.1 - 67 Samples
 - ordered by Location, Industry & Farm
 - all samples in Wav and Ogg

Copyrights :

I hope i cant hear the pack on many maps.The samples can published with maps, buildings or objects. To permit must not be asked, but a mention in the credit`s please.
